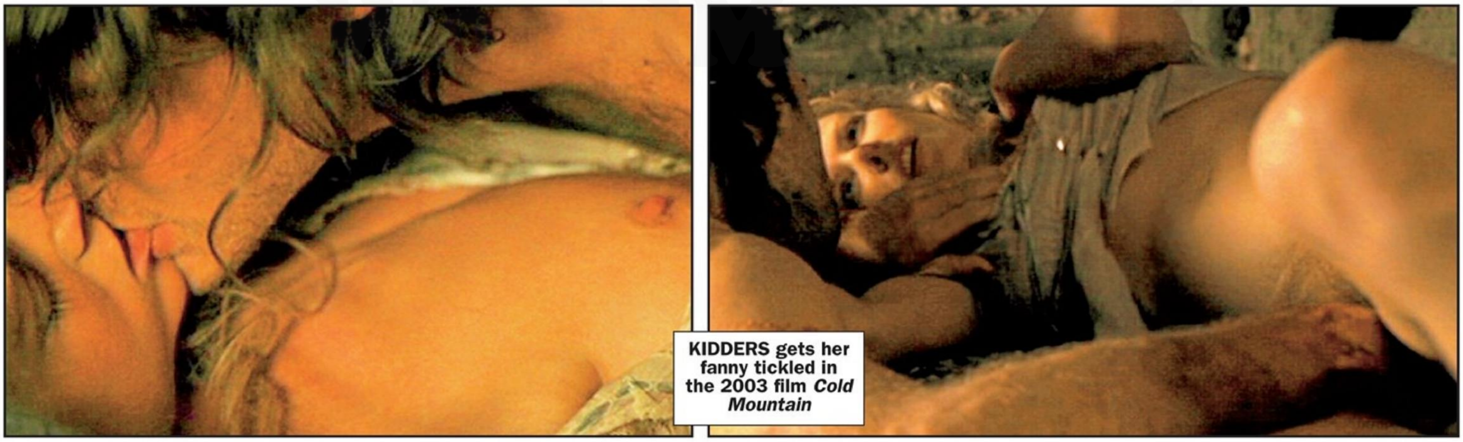
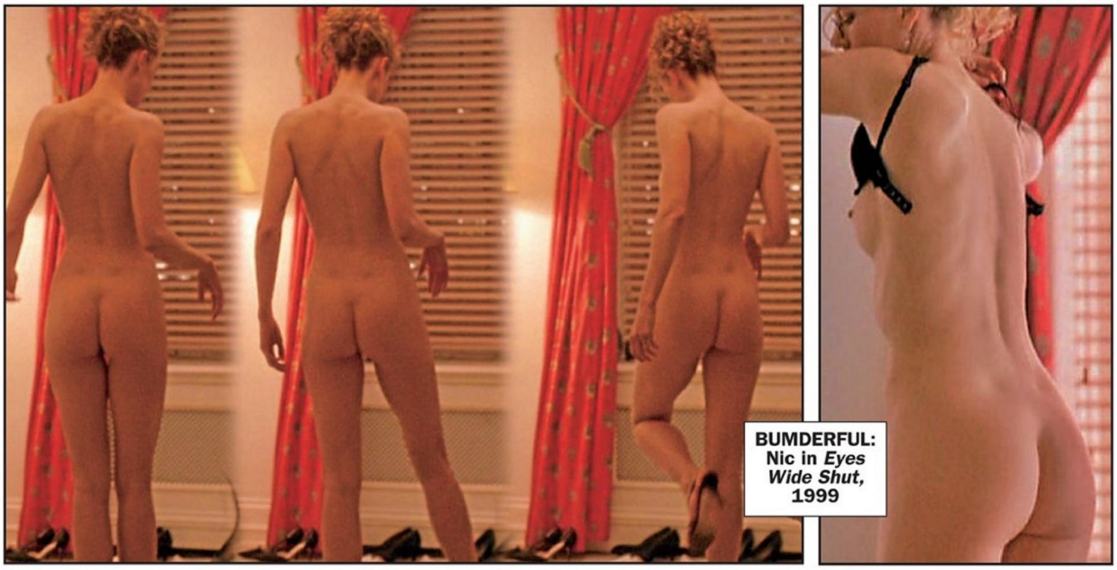
BREE BARES THE LOT!

TITS, pubes and bum from Nicole in her 1991 movie *Billy Bathgate*

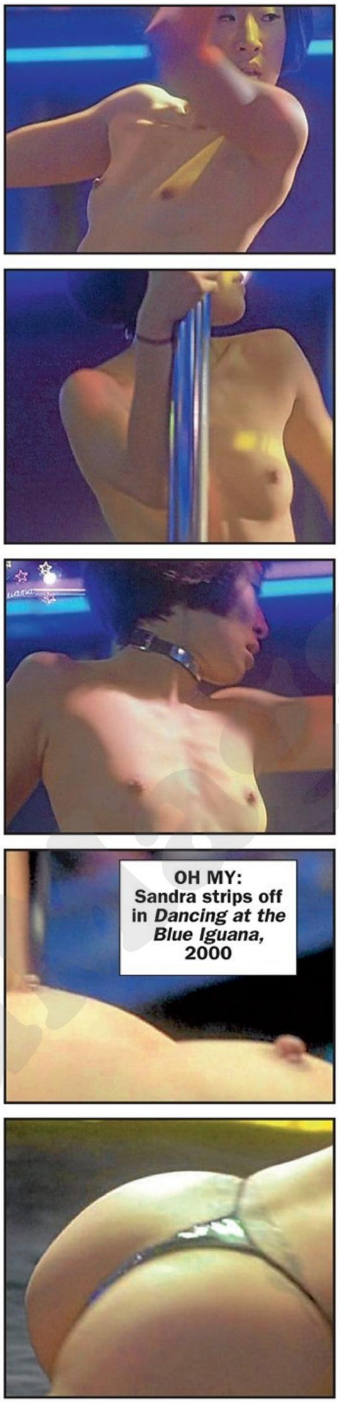
REAR-LY FIT: Nicole in the 1986 movie *Windrider*



KIDDERS gets her fanny tickled in the 2003 film *Cold Mountain*



BUMDERFUL: Nic in *Eyes Wide Shut,* 1999



OH MY: Sandra strips off in *Dancing at the Blue Iguana,* 2000

NIC & SANDRA ARE NO BUNNY BOILERS!

HERE'S a double treat for you fellas, stunning Nicole Kidman and horny Sandra Oh getting NEKKID!

Now we know there's shagging in new movie *Rabbit Hole* but we can't guarantee the babes will give up the goodies as they have in these clips from some of their earlier movies, so have these on us.

The new film which opens this month is a bit of a tear-jerker which isn't really our cup of tea, but if there's any chance of flange in it we'll watch it.

Hawaiian-born Nicole, 43, and 39-year-old Canadian Sandra both have other movies in the pipeline, so if they don't give us a glimpse of their rabbit holes in this movie, there's always hope in the future.

Cushty!!

UPSKIRT

EXCLUSIVE

...AND WHERE'S YOUR KNIX, SOPH?

STUNNING Sophie Anderton flashed a little to much as she arrived at a celeb bash in London recently — not that we're complaining mind you!

The 33-year-old model and reality TV babe has been keeping a low profile recently, so it was a bonus to see more of the 32C hottie than we bargained for.

We reckon the *Celebrity Love Island* star must have been in a bit of a rush to get herself ready for her night out, 'cos it seems the Bristol-born babe forgot to put her knix on.

And it's a knocking bet that she must have jumped a bit when her lady bits came in contact with those cold leather seats!

HERE'S TOE YOU,

PARIS HILTON
Fuckin' 'ell. That's a cracker!

WE here at *Adult Sport* love camel toes.

Not the ones that are on the end of the feet of those ugly bastards who shit and piss all over deserts.

No, the camel toes we like are those strange apparitions on the front bottoms of young ladies from time to time.

So we decided to trawl our world-famous library for some of the BEST camel toe pics on the planet.

Every babe seems to be showing theirs off — from hotel heiress Paris Hilton and actress Megan Fox to pop babes Katy Perry, Rihanna, Sarah Harding, that bird from Tatu, Britney Spears and Christina Aguilera.

Antiques Roadshow host Fiona Bruce has also exposed her camel toe, as have Kourtney Kardashian — who is famous for being, erm, Kourtney Kardashian — tennis totty Anna Kournikova, former model Sophie Anderton and even Zara Phillips, the lovely daughter of our very own Princess Royal.

So enjoy the view!

JODIE FOSTER

NAKED DEBUT: Jodie bares her bush in the 1985 film *Backtrack*

YOU couldn't make it up, could you fellas? There's a new movie out this month starring Yank hornbag Jodie Foster called *The Beaver,* and here we have the babe showing off her very own furry funbox!

Juicy Jodie was born in Los Angeles in 1962 and began acting in commercials as a child.

Her first major role came in the 1976 movie *Taxi Driver* with Robert De Niro in which she played a young prostitute.

But it was her performance aged 23 in the 1985 movie *Backtrack* – where she flashed her bush in a shower – which really launched her career.

Then her performance in the 1989 film *The Accused* won her an Oscar for Best Actress as did her role as Clarice Starling in 1991's chilling flick *Silence of the Lambs.*

Sadly we had to wait until 1994 to see her beaver again when she stripped off in the moving movie *Nell.*

Now whether she bares all in *The Beaver* we'll have to wait and see.

DITA'S A TEESE IN CSI... WE PREFER THESE!

WHAT a great idea to get horny Dita von Teese to appear in the hit American crime show *CSI:* — but it's a pity we don't get to see more of the hot babe.

Glamour puss Dita shot an episode of the show (and no doubt fellas shot their load) in which she plays the love interest of Greg Sanders (Eric Szmanda) which aired in the States on January 20.

Dita, 38, (former missus of Yank warbler Marilyn Manson) is well-known for her burlesque performances which she performed on the show (above) but we've found some shots of her flashing her flange.

The latest series of *CSI:* will be aired over here later in the year but sadly you won't get to see shots like these.

SIGOURNEY WEAVER

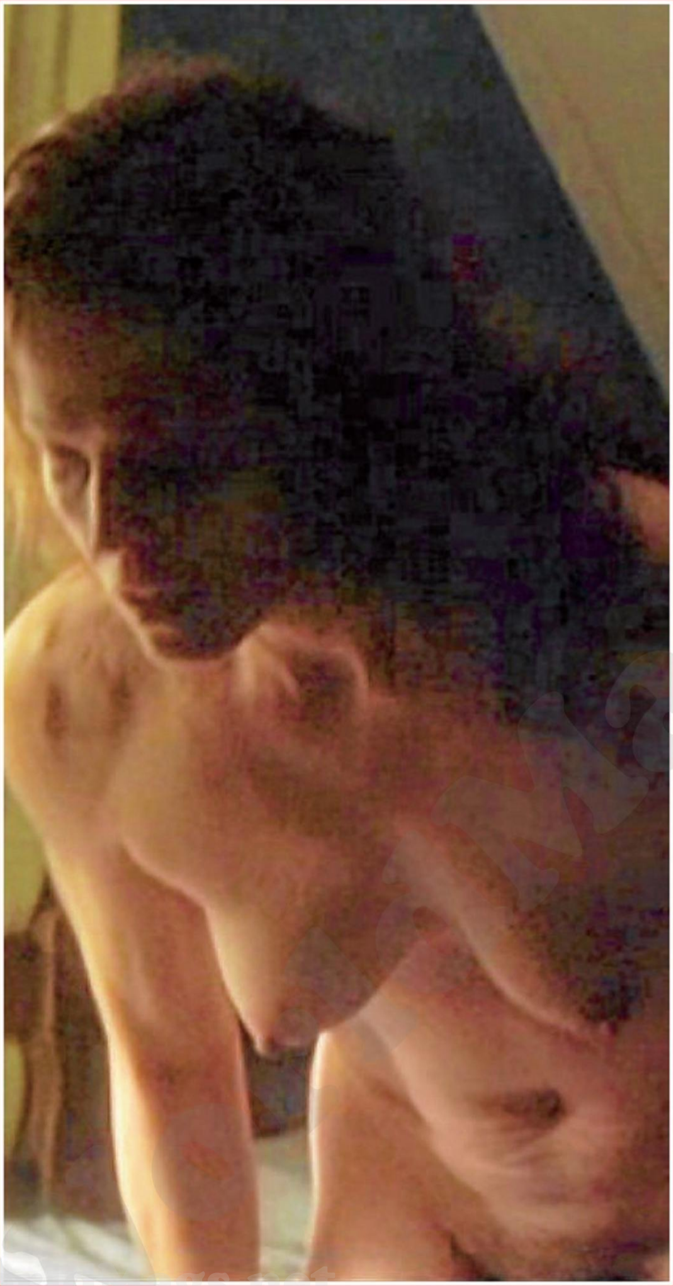
AGELESS Sigourney Weaver is cinema's sci-fi queen.

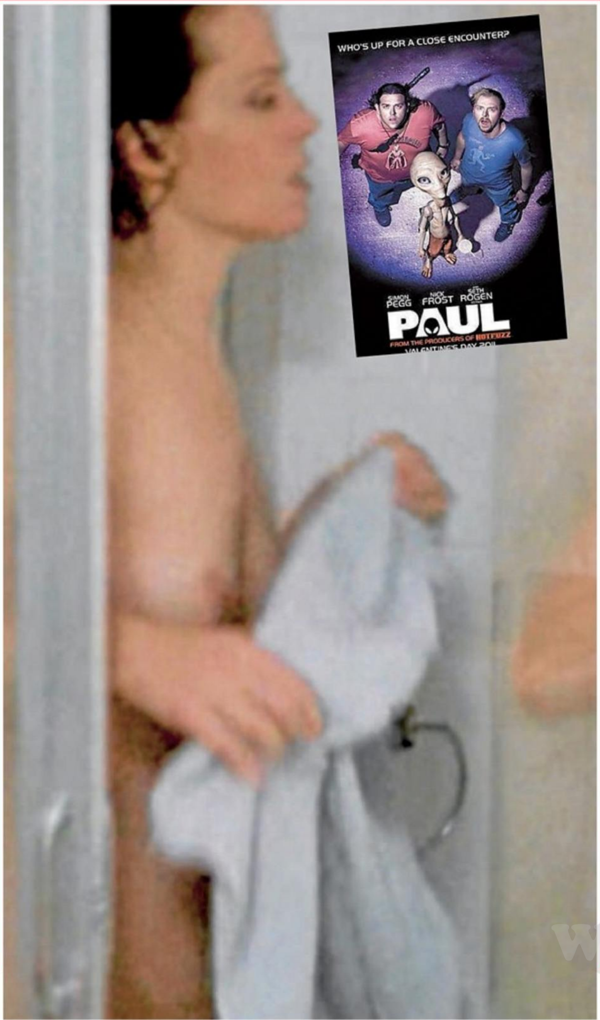
After her breakthrough parts as Ellen Ripley in the *Alien* quadrilogy she's appeared in a host of science fiction and fantasy films.

But we like to remember her more for her out-of-this-world BOOB flashing roles in movies like 2000's *A Map Of The World (in the bath, above)* and displaying a hint of her bush (*right*) and having a soak again in 1986 flick *Half Moon Street* (*top right and below*).

No chance, we're afraid, of anything similar in the latest science fiction outing for Sigourney, 61 . . . comedy *Paul*, out this month.

It's the latest from Brit funnymen Simon Pegg and Nick Frost as two comic book geeks who encounter an alien outside America's top secret Area 51.





WHO'S UP FOR A CLOSE ENCOUNTER?
SIMON PEGG
NICK FROST
SETH ROGEN
PAUL
FROM THE PRODUCERS OF HOT FUZZ
VALENTINE'S DAY 2011

It's the FU

A MAN was walking along this street late at night when he happened to notice a "lady of the night" on the corner.

Out of curiosity, he asked: "How much do you charge?" and she replied: "£50."

Off he went on his travels and at the other end of the same street he bumped into another hooker.

Out of yet more curiosity, he asked: "How much do you charge?" and she replied "£5."

He said: "Blimey, that's cheap, the lady at the other end of the street wanted fifty quid and she replied: "That's because she has a womb."

He said: "And you haven't?" and she answered: "No. We'd have to do it up against the wailings!"

TWO new daters had really hit it off and at the end of the evening as they were beginning to undress each other in his apartment, the fella said: "Before we go any further, Grezelda, tell me — do you have any special fetishes that I should take into account in bed?

"As a matter of fact," smiled the girl, "I do happen to have a foot fetish.

"But I suppose I'd settle for maybe seven or eight inches!"

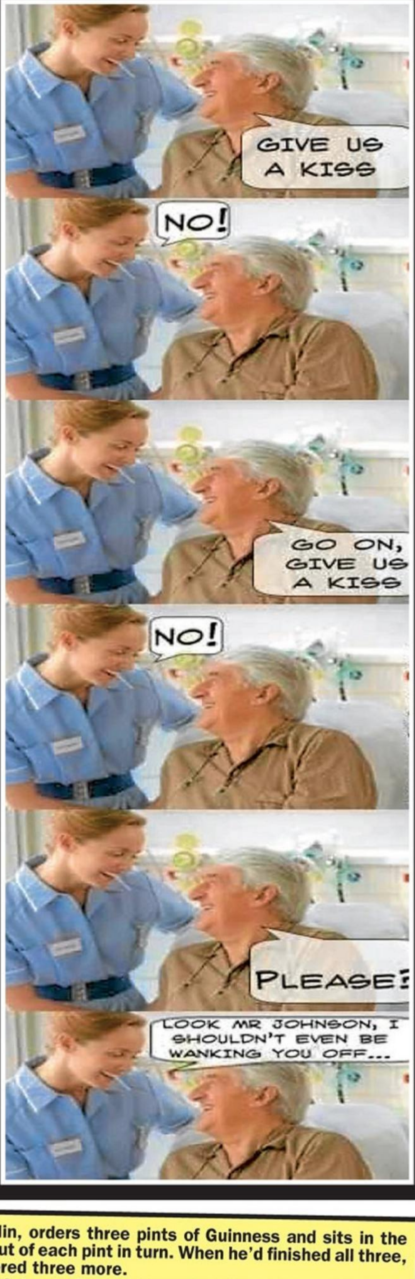
A GUY was watching a news bulletin when the TV weather woman came on and, speaking about expected snowfall, she said: "I'm expecting eight inches tonight.

He turned to his wife and said: "With a fucking face like that, she's got no chance!"

Why do women have two sets of lips? One to bitch at you, the other to apologise!

Dad. Can we take her home and eat her?
No. We'll take her home and eat your fucking mother!

IF MEN MADE COOKIES . . .



GIVE US A KISS
NO!
GO ON, GIVE US A KISS
NO!
PLEASE?
LOOK MR JOHNSON, I SHOULDN'T EVEN BE WANKING YOU OFF...

A GUY meets a girl on the street and says: "Come on, babe, let's go in the alleyway and get it on. I've got £15."

She says: "FIFTEEN quid? You're crazy. For £15, I'll let you LOOK at it."

They go into the alleyway, she pulls down her pants, and he gets down on his knees. But he can't see anything, because it's too dark, so he gets out his cigarette lighter.

He lights it and says: "My God, your pubic hair . . . it's so curly and thick. It's BEAUTIFUL."

She replies: "Thank you," and he says: "Do you mind if I ask you a personal question?"

"Go ahead," she says.

"Can you piss through all that hair?" he asks and she replies: "Of course."

He says: "Well, you better start. Your fanny's on fire!"

WHAT'S the difference between frustration and panic?

Frustration is the first time you discover you can't do it the second time.

Panic is the second time you discover you can't do it the first time!

THE SAD LIFE OF A PENIS

I ONLY have one eye.
My hair is a mess.
My relatives are nuts.
My neighbour is an arsehole.
My best friend is a cunt and my owner is a wanker!

AS a hooker was dressing, she turned to her customer and asked him: "Have you just got out of prison?"

"Yeah," the guy replied. "How did you guess? Is it because I wanted to have sex from the rear?"

"Partly," she said. "But more because when we finished, you ran around in front of me, bent over, and shouted 'YOUR TURN'!"

PATRICK walks into a bar in Dublin, orders three pints of Guinness and sits in the corner of the room drinking a sip out of each pint in turn. When he'd finished all three, He went back to the bar and ordered three more.

The barman says: "You know a pint goes flat soon after I pull it and your pint would taste better if you bought one at a time."

Patrick replies: "I have two brothers, one is in America and the other in Australia and here I am in Dublin. When we all left our County Cork home, we promised we'd do this to remember the days we all drank together."

The barman admits this is a nice custom and says no more.

Patrick becomes a regular and orders three pints and takes a sip out of each in turn until they are finished — until one day he comes in and orders just two pints.

All the other regulars notice and fall silent and when he goes back to the bar for the second round, the barman says: "I don't want to intrude on your grief but I wanted to offer my condolences." Patrick looks confused then the penny drops and he starts to laugh, saying: "Oh no. Everyone is fine! It's me, I've quit drinking!"

NNIES!

Laugh your cock off with the best gags and funniest pics

A MAN who had been married for 25 years looked at his wife one morning and said: "Twenty five years ago, we had a cheap flat, a cheap car, slept on a sofa bed and watched a 10-inch black and white TV, but I got to sleep every night with a hot 25-year-old blonde. Now, we have a nice house, nice car, big bed and plasma screen TV, but I'm sleeping with a 50-year-old woman. It seems to me that you are not holding up your side of things."

The woman looked at her hubby and said: "Go out and find a hot 25-year-old blonde and I'll make sure you're back living in a cheap flat, driving a cheap car, sleeping on a sofa bed and watching a 10-inch black and white TV!"

CRAZY MO-FO

WHAT THE FUCK?

A GUY checked into his hotel on a recent trip and said to the lady at the registration desk: "I hope the porn channel in my room is disabled."

She replied, "No, it's regular porn, you sick bastard!"

A BLOKE was talking to his colleague at work and he said: "I almost won the quiz in my local pub last night. I lost by just one point. The question was 'where do women mostly have curly hair'? Apparently, the correct answer is Africa."

I CAME out of my local chip shop with a meat and potato pie, large chips, mushy peas and a jumbo sausage when a poor homeless man who was sitting on the cold pavement said: "I've not eaten for two days." I replied: "I wish I had your fucking will power."

A WOMAN buys a wall mirror from a large DIY superstore and as she goes to pay for it, the guy on the till says: "Would you like a screw for that mirror?" She replied: "No, but I'll suck your cock for a lawn mower!"

TWO fellas were talking in a pub when one of them confessed to the other that he had been shagging his girlfriend and her identical twin.

His mate said: "You lucky bastard but how can you tell them apart?"

The other guy replied: "Her brother's got a moustache."

A GUY asked his pal how his new job as a male masseuse was going. He replied: "I got fired on the first day. Apparently, the instruction 'finish off on her face' didn't mean what I thought it did!"

PADDY is walking down the road eating a bag of doughnuts when his mate bumps into him and says: "If I can guess how many doughnuts you have in the bag, can I have one?"

Paddy replies: "If you can guess how many doughnuts are in there you can have them both," and his pal says: "Four!"

A FAT girl served a guy some food in a fast food restaurant at lunchtime and said: "Sorry about the wait."

The man snatched his food and replied: "Don't worry, Mrs Blobby, you're bound to lose it eventually!"

A LONG-HAIRED youth was hitch-hiking through the Deep South of America when he got a ride from a mean-looking trucker. After about 30 miles of silence the lad said: "Aren't you going to ask me?"

"Ask you what?" said the trucker. "If I'm a boy or girl," he said. The trucker said: "Don't matter. I'm gonna fuck you anyway!"

Why do men have orgasms? How else would they know when to stop!

HOW is it that a woman can fit a seven-inch vibrator into her half-inch arsehole IN THE DARK but she is completely unable to fit an eight-foot car into a 15-foot parking space IN BROAD DAYLIGHT?

WE here at *Adult Sport* like nothing better than a really filthy gag or hilarious photo! So if you spot anything you think will tickle us, you can email it to adult@sportnewspapers.co.uk or post it to: *The Funnies!*, *Adult Sport, 19 Great Ancoats Street, Manchester M60 4BT*. And if it's good enough to use then you'll get £10. If not then we'll bin it and you can fuck off!

DIAMOND GEEZERS

PORN'S SCENE?

HERE'S the cream of Television X's porn stars bidding for this year's SHAFTAs!

The Soft and Hard Adult Film and Television Awards celebrate a storming year for porno. And one of the top categories is Best Sex Scene.

Diamond Geezers by Kaizen XXX has already received a nod for its top-notch raunch but Television X have highlighted one scene in particular with petite teen Hannah Shaw and mega-appendaged Danny D.

It's a well-known fact that during sex Jasmine Webb has a mouth worse than a sailor so she was a natural choice for Andy Ide's series *Filthy Gob*. Her scene with Peter Oh Tool was a stand-out of dirty talking, verbal abuse and rough fucking making it a strong contender for the award, if not just for Jasmine's constant stream of filth.

Television X even managed to get its three top SHAFTA winners from the previous year in one naughty orgy scene. *Frustrated Housewives* stars Syren Sexton (Female Performer Of The Year), Tanya Tate (MILF Of The Year) and Kerry Louise (Best New Starlet) as gorgeous but bored housewives who decide to spice up their BBQ with each other's boyfriends and husbands.

French hottie Angell Summers made a lasting impression with her appearance in *Leather Freaks*. Tony De Sergio stars as her shadow who's interested in more than just following her around. We've never seen a girl get fucked with a neon light before but it was surprisingly horny and earned them both a nomination in this prestigious category.

Michelle Moist is one of the most beautiful porn stars in the UK, so it's not surprising that she's also scooped a nomination for her fantastic fuck in *Rough X*. Pitted against legendary beast Ian "The Baguette" Scott, she holds her own in a truly intense scene.

Tune in to Television X, Sky channel 903, Freeview 93 and Virgin Channel 473 from 10.10pm on Saturday, February 19 to see all the nominees getting their best bunk-up in full.

BEST LESBO

SALMA HAYEK & ASHLEY JUDD IN Frida (2002)

SELMA BLAIR and SARAH MICHELLE GELLAR in Cruel Intentions (1999)

DENISE RICHARDS and NEVE CAMPBELL in Wild Things (1998)

JULIANNE MOORE and AMANDA SEYFRIED in Chloe (2009)

in new film Black Swan, we bring you the…

SCENES EVER!

YOU can't beat a bit of the old lesbo lip locking, can you fellas?

And as new movie *Black Swan* — featuring a sizzling smooch between Natalie Portman and Mila Kunis — hits cinemas this month, we've put together what we reckon are the hottest on-screen lesbo snogs ever.

Latino lovely Salma Hayek got trousers twitching when she swapped spit with Ashley Judd in their 2002 movie *Frida*.

And Denise Richards and Neve Campbell caused boners galore with their smooching in a pool while Denise is topless in the 1998 film *Wild Things*.

Selma Blair and Sarah Michelle Gellar played tonsil tennis in their 1999 movie *Cruel Intentions*, but the only cruel thing was that we couldn't join in.

Ten years later we had the pleasure of seeing Julianne Moore and Amanda Seyfried locking lips while topless in *Chloe* and get a load of those nips!

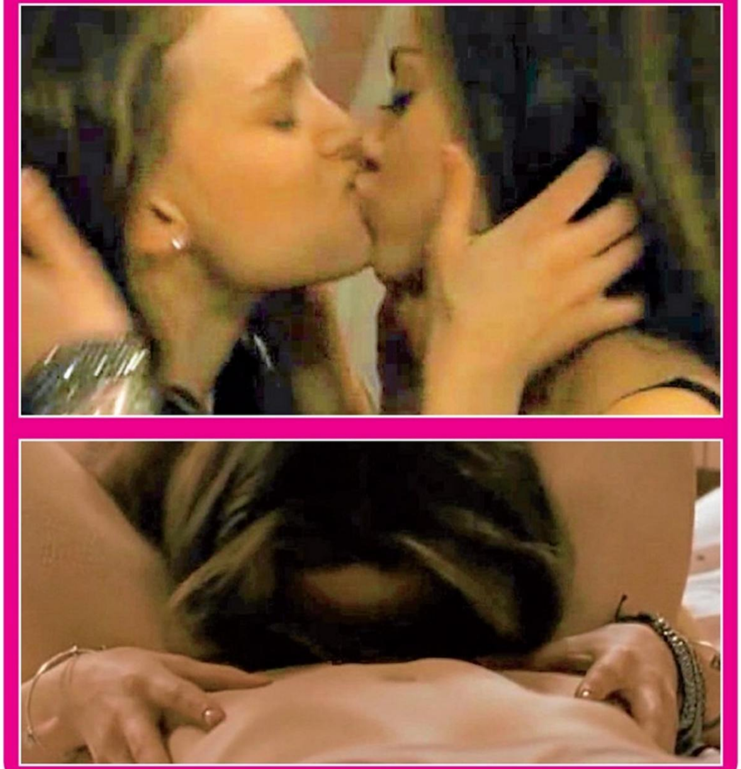
Alyssa Milano and Charlotte Lewis got their teeth into each other in their 1995 movie *Embrace of the Vampire*, while Anne Heche and Joan Chen did likewise in *Wild Side*.

And what could be better than locking lips with Megan Fox (apart from shagging her) as she did with Amanda Seyfried in 2009's *Jennifer's Body?*

Finally we have Heather Graham and LIsa Zane sucking spit in their 1995 film *Evil Never Sleeps*.

Pass the fuckin' tissues!

NATALIE PORTMAN and MILA KUNIS in Black Swan (2010)

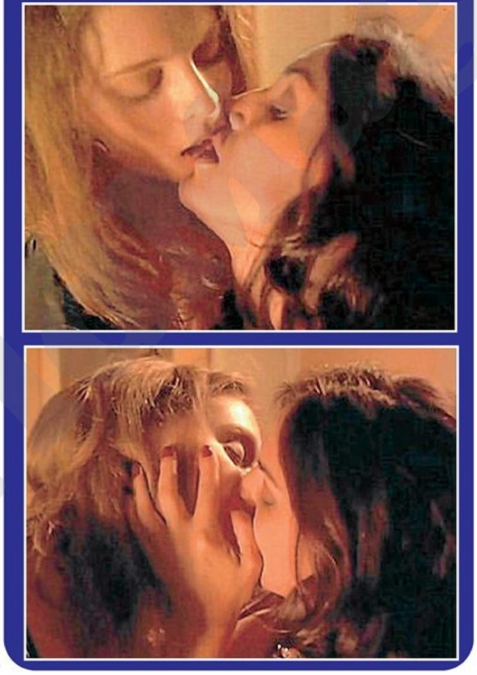


ALYSSA MILANO and CHARLOTTE LEWIS in Embrace of the Vampire (1995)

ANNE HECHE and JOAN CHEN in Wild Side (1995)

MEGAN FOX and AMANDA SEYFRIED in Jennifer's Body (2009)

HEATHER GRAHAM and LISA ZANE in Evil Never Sleeps (1995)



Fancy looking at fit lesbo action, fellas?

GYM'LL FIX IT!

LET'S face it, lads. Gymnasiums are horrible places — full of fat, sweaty fuckers trying to get slim or posing pillocks who think they're Arnie Schwarzenegger.

Well, that's not the case in one American gym because two of the girls who enjoy a good workout there are porn stars Brandi Love and Raven Riley.

And not only do these busty babes work out together, but they also GET DOWN on each other's minge with their tongues!

And if that thought isn't enough to get you exercising your right arms then surely these saucy snaps of the delightful duo in horny action will do the trick.

Brandi is 37 and hails from North Carolina while her bosom buddy Raven is 24 and lives in Arizona.

But you don't really give a flying fuck about that, do you?

RAVEN (*left*) and Brandi strip off ready for some girl-on-girl workout action

But we certainly saw much more of her in these sizzling nude shots from 2009 movie *The Informers*!

And Soon The Darkness, in cinemas this month, stars Amber as Stephanie whose vacation to Argentina with pal Ellie turns into a nightmare when Ellie goes missing.

Sex-mad Sheen's new porn babe totally NAKED

THIS is sex-mad movie star Charlie Sheen's latest conquest . . . hardcore porn actress Bree Olson.

The *Platoon* party animal has been living it up in Las Vegas and is said to be "smitten" with 24-year-old Bree.

Sheen – who's reckoned to have shagged a staggering 5,000 babes – reportedly hooked up with three women who were in Vegas for a porn convention at The Palms Hotel and Casino.

But it was Texas-born Bree who really caught Sheen's eye, as he was spied knocking back vodka at the bar with her.

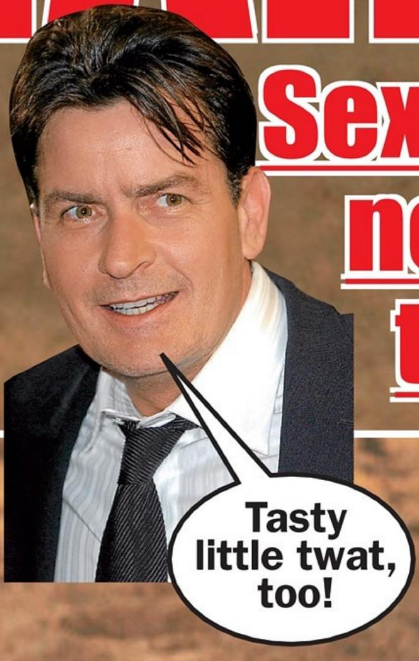
It's no surprise Sheen, 45 – who recently divorced from actress Denise Richards – has fallen for her.

Bree scooped the Best Anal Scene award in 2008 and is also known for a mean blow-job.

According to her website, she prefers the company of older men, which is a bonus because Sheen is a good two decades ahead of her.

We reckon Charlie's got good taste, so we've brought you six sizzling pages of his latest babe showing EVERYTHING.

Lucky bastard!



Tasty little twat, too!

WHAT A NUMBER: Teresa in new sci-fi flick

TERESA PALMER

AS bonkers plots go, new movie *I Am Number Four* is on another planet. But it features tasty Teresa Palmer . . . and that makes it worth a watch.

It's highly unlikely that she'll be peeling her kit off as in these shots from 2006 flick *Restraint*. But from the still (*above*) she looks sexy as fuck.

This is the plot from her new movie . . . so pay attention.

There are nine infant aliens, handily looking like humans, who have fled their home planet and are hiding on Earth.

Evil aliens have followed them and are picking them off one by one . . . numerically.

They are up to number four who is disguised as a high school student and is developing superpowers.

With it so far? Australian actress Teresa, 24, plays number six, so they've not got round to her yet.

Who cares whether it's a load of bollocks with babes like Teresa in it!

GOING FOR THE PINK!

NOW here's summat you don't see down yer local snooker club (more's the pity), two babes getting down and dirty on the green baize!

Yeah OK, we know it's a pool table but don't let the facts get in the way of a decent headline is our motto.

And these babes didn't let our snappa get in their way as they got all touchy feely with each other.

After breaking off with a bit of the old lip-locking they were soon into a spot of tit sucking before moving on to the time-honoured tradition of twat tickling.

Our snappa later apologised for not getting more pics of the girls but said he was too busy chalking his cue to concentrate on what the girls were up to.

What a twat!

ALICE BRAGA

BRAZILIAN actress Alice Braga's not looking too well (*above*) in her latest movie *The Rite.*

But she was certainly looking fit in 2005's *Lower City.* She still seemed a bit on the weird side, but the 27-year-old had all the right equipment for her role as a stripper.

And at one stage in the movie (*below*) she displayed her furry bits!

The Rite, which opens this month, stars Anthony Hopkins as an exorcist passing on his trade to a young priest.

Alice is carving quite a name for herself in Hollywood. She's been in blockbusters *I Am Legend*, *Repo Men* and *Predators*.

We just hope that she gets to show off that great body more in the future.

FLASH: Alice reveals all in *Lower City*

WARNING

THESE VIDEO CLIPS SHOW SCENES OF EXTREME HARDCORE SEXUAL INTERCOURSE. DO NOT TEXT **MYMUM** TO **89560** IF EASILY SHOCKED!

THAT'S MY MUM!

Stunned son views shock video on his pal's mobile

MOBILE porn fanatic Barry Simpson got the shock of his life when the latest hardcore clip doing the rounds turned out to be his MUM!

The 24-year-old builder's labourer from Bristol was enjoying his usual Saturday lads' night out in his local when a friend passed round a video clip of his latest sexual conquest.

The five-minute movie showed Barry's pal enjoying a steamy session in his flat with a buxom middle-aged blonde he'd met in a local bar.

The randy raver was filmed on the mobile greedily noshing on his seven-inch cock and then bending over, ordering him to "Stick it in me NOW!"

The pair then enjoyed noisy sex in a variety of positions finishing with the lusty lad unloading over the breathless MILF's boobs.

The camera panned up to her grateful face as she lapped up his man muck from her DD breasts, then Barry discovered the horrible truth.

"One minute he was saying what a dirty old girl she was, the next he was bright red with anger," said the amateur porn snapper, who asked not to be named.

He explained: "I passed the clip to another mate and he revealed that the lady was Barry's old girl, we couldn't believe it.

"He stormed out of the pub and we haven't heard from him since, I'd never met his mum before so, obviously, I didn't know, otherwise I would never have done this. But I have to admit, she was a great shag."

You can see the amazing video yourself, just text **MYMUM** to **89560** to see the lot — uncensored!

CUTE: Izzy shows off a sexy bit of thigh and bum in *Coyote Ugly*

GEE WHIZZ, IZZY'LL MAKE YOU JIZZ!

OK fellas, so Izabella Miko's not showing her chuff in these stills from her movies but you have to admit the sight of the rest of her body has got yer jizz pipes twitching!

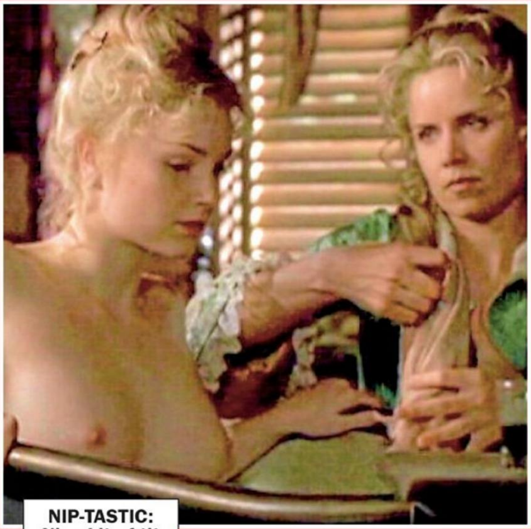
Born in Lodz, Poland in 1981, Izabella trained as a ballerina and was invited to study in New York when she was 15.

She made her film debut in the 2000 movie *Coyote Ugly* and the following year got her tits out for the first time in *The Forsaken.*

Roles followed in movies as *The House of Usher* (2006) and the big-budget remake of *Clash of the Titans* in 2009, as well as appearing in the 2005 TV series *Deadwood.*

Her new movie *Age of Heroes* — based on the true story of the formation of a predecessor to the SAS, 30 Commando — opens this month.

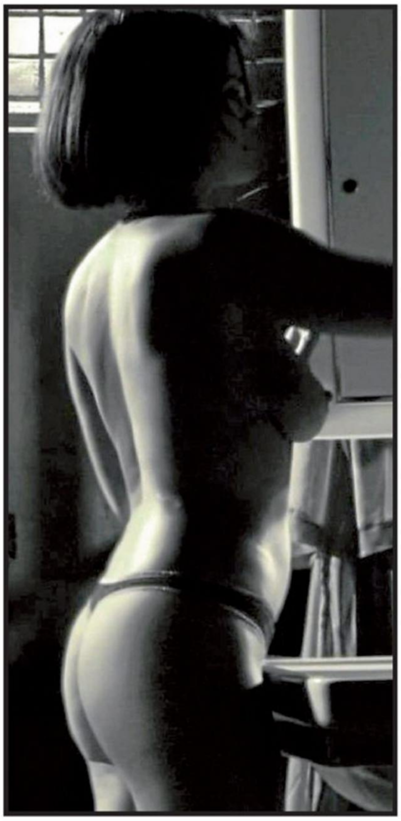
Well you know what they say, 'Who Dares Wins" and if Izzy dares to get her chuff out she'll be a real winner!



BOOBIFUL: Izzy shows off her handful in *The Forsaken*

NIP-TASTIC: Nice bit of tit from Izzy in *Deadwood*

WOW LOOK... TIT'S CARLA!



WHAT a pair of funbags Carla Gugino's got — as you can see in these shots from her 2005 movie *Sin City*...and come to think of it, her arse ain't bad either.

Born in Sarasota, Florida, in 1971, Carla began her acting career in the late 80s and early 90s and appeared on TV shows like *Saved By The Bell* and *The Wonder Years.*

Her first topless performance came in the 1996 movie *Jaded* then roles in *Snake Eyes* (1998), *The Singing Detective* (2003), *American Gangster* (2007) and *Righteous Kill* with De Niro and Pacino in 2008.

Carla's latest film *Faster (pic below)* is out this month and doesn't she look horny!

IT'S superhero year at the cinema with new releases coming featuring Thor, Captain America and Wonder Woman.

Meanwhile, Mile High Media are producing *Wonder Woman XXX: A Hardcore Parody* with 22-year-old porn superstar Tori Black as the comic book heroine.

Which would you rather see, folks? We reckon Superporn will rule the screens!

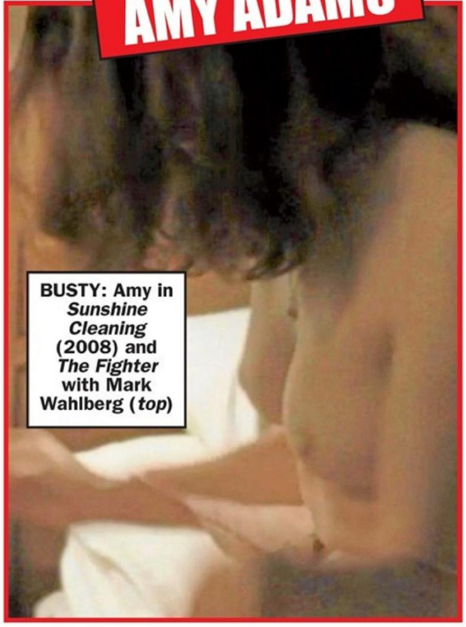
AMY ADAMS

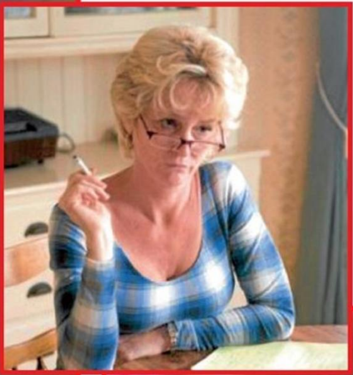
WE wouldn't mind doing a few rounds with these two beauties who star in new movie *The Fighter*.

Amy Adams, 36, and Melissa Leo, 50, appear in the biopic, starring Mark Wahlberg as boxer "Irish" Micky Ward.

But it was these pix from previous films – including Melissa's underparts – that proved a knockout for us.



BUSTY: Amy in *Sunshine Cleaning* (2008) and *The Fighter* with Mark Wahlberg (*top*)



STARKERS: Melissa in *Streetwalkin'* (1985) and in new movie (*above*)

HOT PAZ HAS REAL P'ZAZZ!

LOVELY Latin babe Paz Vega is about to hit our screens again alongside Colin Farrell in her latest movie *Triage*, so gird yer loins in case the hornbag flashes her flange again!

Born in Seville, Spain, in 1976, Paz made began her acting career in Spanish TV before moving on to the big screen in 1999 when she stripped off in *Zapping*.

Then in 2001 she went all the way when she bared her furry bush in *Sex and Lucia* and other nude roles followed with *Carmen* (2003) and *The Lark Farm* (2007).

Hope Paz is up for a lark, and gives up the goodies!

ROMAN SPRING OF MRS STONE

A GAL!

There is nothing like a naked Dame!

DAME Helen Mirren has been thrilling male cinemagoers by showing off her beautiful body since *Age of Consent* way back in 1969.

And even though she is now 65, there's no sign of her putting her feet up and getting the knitting needles out because she had no fewer than FIVE movies out last year, including *The Debt* and *Brighton Rock*, a remake of the 1947 classic which starred Sir Richard Attenborough.

Helen doesn't get her tits, fanny or arse out in any of these flicks, so we decided to bring you scenes from her previous movies where she DID show off her fine figure.

Call it our gift to you!

WARD A TOP FILM!

THE FIGHTER ✪✪✪✪✪

THIS is the life story of boxer "Irish" Micky Ward and his trainer brother Dick Eklund and stars Mark Wahlberg as Micky and Christian Bale as Dick.

It chronicles the brothers' early days on the rough streets of Lowell, Massachusettes, through Dick's battle with drugs and Micky's eventual world championship fight in London.

And it's a really inspirational tale of two brothers who, against all the odds, come together to train for the historic title bout that will unite their fractured family, redeem their pasts and, at last, give their hard-luck town what it's been waiting for . . . pride.

And though Micky's story may unfold in the manner of many sports biopics, *The Fighter* is more about the complex family ties that bind than it is about the sweet science of boxing itself.

Wahlberg is brilliant as Micky but it is Bale who steals the show, with an absolutely awesome performance that is worthy of an Oscar.

Amy Adams is ace, too, as Charlene Fleming and I wouldn't mind knocking her around the ring!

TRUE GRIT ✪✪✪✪✪

FOR me, John Wayne will always be Rooster Cogburn but I have to admit that Jeff Bridges comes a very close second in this remake of the 1969 classic.

Bridges is the tough US Marshal who helps a stubborn young woman called Mattie Ross track down her dad's killer.

Josh Brolin plays murderer Tom Chaney but I predict a massive future for young Hailee Steinfeld, who is just 14 and is brilliant in the role of Mattie.

BRIGHTON ROCK ✪✪✪✪

THIS is another remake — this time of the 1947 classic starring Sir Richard Attenborough as a small-time gangster called Pinkie.

The big difference is that this new version has been brought forward a couple of decades to the 60s, when Mods and Rockers clashed at various UK seaside resorts, including Brighton.

And this time Pinkie is a mod played excellently by Sam Riley.

Helen Mirren, Carey Mulligan and John Hurt also star.

I AM NUMBER FOUR ✪✪✪✪✪

I AM Number Four is a suspense-thriller about an extraordinary young guy called John Smith (Alex Pettyfer), who is a fugitive on the run from ruthless enemies sent to destroy him.

In the small Ohio town he now calls home, he encounters unexpected, life-changing events — his first love (Dianna Agron), powerful new abilities and a connection to the others who share his incredible destiny. The three before him are dead — John is Number Four!

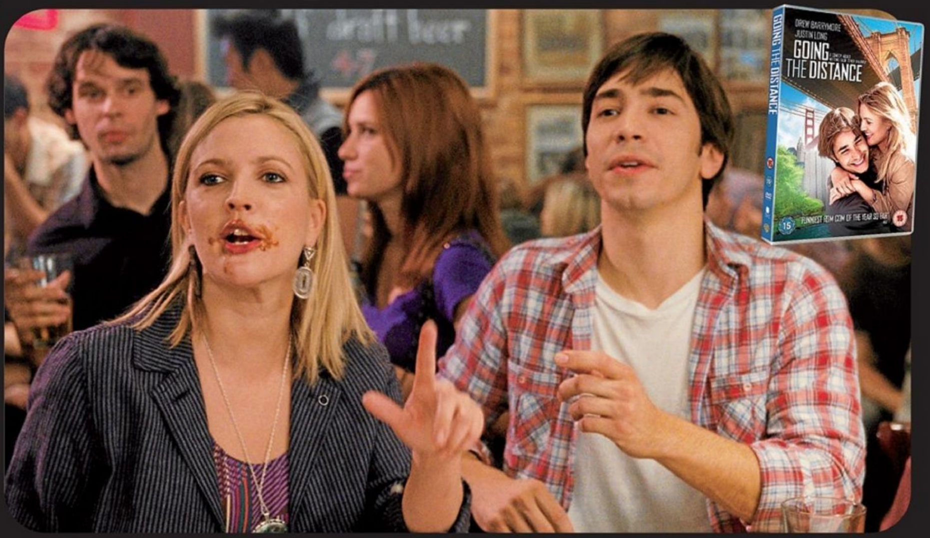
DOLPHIN PARKING SENSORS ★★★★★

THIS new parking sensor kit from Dolphin — the DPS455 — combines four rear sensors that can be mounted to a vehicle's rear bumper, a reverse mounted visual display and an alarm . . . and it's BRILL!

The display gives a visual reference point while the alarm sounds to help you keep a safe distance from obstacles — including those that are out of view. It works by emitting an ultrasonic sound from the bumper, which bounces off any obstacle and returns to the sensor and activates when the reverse gear is engaged. When the vehicle is less than 1.5 metres from the obstruction, the alarm emits a series of bleeps that become more frequent as the vehicle approaches, becoming continuous when it's 30cm away from contact. The sensors come in 16 different colours and cost just £59.99 from **www.parkingsensors.co.uk**

The kit comes with full fitting instructions and fitting accessories including a cutting tool.



DREW BEAUTY!

GOING THE DISTANCE ★★★★★

THIS is a romcom that blokes will love, too — mainly because it stars Hollywood hornbag Drew Barrymore, who is worth a portion of anyone's trouser snake!

It follows Erin (Barrymore) and Garrett (Justin Long), who meet over a beer in a bar in New York City and their chemistry sparks a fully-fledged summer fling.

Neither expects the romance to last once Erin heads back to San Francisco and Garrett stays behind for his job.

But when six weeks of romping through the city inadvertently become meaningful, neither is sure they want it to end and while Garrett's pals Box and Dan joke about it, they don't like the thought of losing their best drinking buddy to yet another rocky romance.

At the same time Erin's over-protective married sister Corinne (Christina Applegate) wants to keep her from heading down an all-too-familiar road.

Going The Distance is out on Blu-ray Triple Play and DVD now and I have FIVE copies to give away, courtesy of Warner Home Video. For a chance to win one, check out the panel at the bottom of the page.

TITANIC 2 ★★★★

TO mark the 100th anniversary of the original voyage, a state-of-the-art luxury liner, christened Titanic 2, sets out to cross the Atlantic from the US to the UK. As the passengers, including a host of special guests, guzzle champagne on deck, disaster begins to stir below as a huge tidal wave approaches the ship and smashes into its side.

Titanic 2 is out on DVD on February 7 and I have FIVE copies, courtesy of Metrodome. See panel below for how you can win one.

I SPIT ON YOUR GRAVE

I SPIT ON YOUR GRAVE ★★★★★

THIS is a remake of the cult, 1978 horror flick that was heavily censored in America and banned outright in some countries. And it's set to ignite the fires of controversy all over again. It's about a beautiful young writer who rents an isolated cabin in the southern backwoods of the USA — with terrifying results!

You can buy **I Spit On Your Grave** on Blu-ray or DVD on February 7 but I have FIVE copies, courtesy of Anchor Bay Films, to give away. See below for how to win one.

OUTCAST ★★★★

THIS is a contemporary supernatural horror film steeped in ancient Celtic occult, mythology and mysticism. It has a strong cast of established Brit and Irish acting talent including James Nesbitt, Karen Gillan and Kate Dickie, who plays an Irish traveller called Mary who, with her teenage son, are on the run from a deadly pursuer.

Outcast is out on DVD now and I have FIVE copies, courtesy of Momentum Pictures, to give away. See below for how you can win one.

BLACK ★★★★★

BLACK is a slick, fun French heist film with a supernatural sting in the tail that is made in the spirit of Blaxploitation classics like *Super Fly* and *Shaft*. It stars French hip hop artist MC Jean Gab'1 and sexy Carole Karemera and sees petty crook Black (Gab'1) travelling from Paris to Senegal to pull off the biggest score of his criminal career.

Black is out on Blu-ray and DVD on February 14 and I have FIVE copies, courtesy of Anchor Bay. See panel below for how you could win one.

FOR A CHANCE TO WIN ANY OF THESE DVD AND BLU-RAY RELEASES EMAIL YOUR NAME AND ADDRESS TO: adultcomps@sportnewspapers.co.uk STATING WHICH ITEM YOU WOULD LIKE. (18S AND OVER ONLY)

CELEBRITY SNATCH

GRETA GERWIG

WE don't want to blow our own trumpet here, but the above pic of sizzling Greta Gerwig in the bath with a fella is one of the funniest and sexiest cinema scenes we've ever uncovered.

That's 27-year-old Greta too (*below and bottom right*) showing off her muff and boobs in 2007 flick *Hannah Takes The Stairs*. She was also not being very shy in 2008's *Nights and Weekend* (*far right*).

You can catch her in newrom-com *No Strings Attached* along with Natalie Portman and Ashton Kutcher in cinemas this month.
